

Enhanced perioperative medical management for total joint arthroplasty

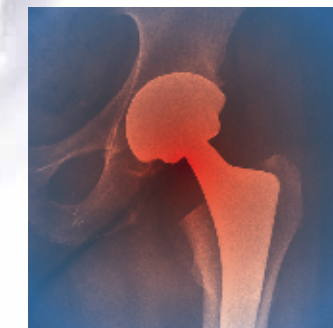

How to control haemostasis, pain, and infection

ADVANCED PROGRAM

www.oic.it/arthroplasty

Hotel Baglioni, Florence
22-23 May 2014

Course Presidents
Andrea Baldini
Patrizio Caldora

Gradimento Scientifico

SS1 Azienda USL B Arezzo

FACULTY LIST

R. Abbate (Haemostasis-Italy)
P. Adravanti (Orthopaedics-Italy)
J.-N. Argenson (Orthopaedics-France)
T. Ascione (Infectivology-Italy)
A. Baldini (Orthopaedics-Italy)
L. Bolognese (Cardiology-Italy)
P. Caldora (Orthopaedics-Italy)
J.L. Chiti (Physiatry-Italy)
G. Danelli (Anaesthesiology-Italy)
A.R. De Gaudio (Anaesthesiology-Italy)
A. Farese (Infectivology-Italy)
M.C. Ferrari (Infectivology-Italy)
E. Gabbai (Anaesthesiology-Italy)
G. Gentilini (Haematology-Italy)
F. Giron (Orthopaedics-Italy)
A. Gonzalez Della Valle (Orthopaedics-USA)

H. Husted (Orthopaedics-Denmark)
P.F. Indelli (Orthopaedics-Italy)
M. Innocenti (Orthopaedics-Italy)
M. Lisanti (Orthopaedics-Italy)
J. MacDonald (Orthopaedics-USA)
M. Marcucci (Orthopaedics-Italy)
I. Miniati (Rheumatology-Italy)
B. Moretti (Orthopaedics-Italy)
J. Parvizi (Orthopaedics-USA)
G. Riccio (Infectivology-Italy)
C.L. Romanò (Orthopaedics-Italy)
R. Rossi (Orthopaedics-Italy)
R. Rossini (Cardiology-Italy)
M. Scardino (Anaesthesiology-Italy)
E. Thienpont (Orthopaedics-Belgium)
F. Traverso (Orthopaedics-Italy)

Organizing Secretariat

Scientific Secretariat

Bernardo Barbanti (Firenze)
Lorenzo Castellani (Firenze)
Domenico Lup (Arezzo)

Italian CME credits

The Congress has been assigned 5,5 CME credits.
All details are available online.

Registration

Registration is free with limited seats available.
Please book at:
www.oic.it/arthroplasty

Languages

English is the official language.
Simultaneous translation to Italian will be provided.

Thursday 22 May

- 8.00** Registration
- 8.45-9.00** Welcome
A. Baldini, P. Caldora
- HAEMOSTASIS CONTROL (BLEEDING / THROMBOEMBOLISM)**
- 9.00-10.05 Lectures**
Moderators: **L. Bolognese, P.F. Indelli**
- 9.00** Modern blood management in arthroplasty
G. Gentilini
- 9.10** How to reach 0% transfusion rate in TKA
E. Thienpont
- 9.20** Multimodal protocol for bleeding control in TKA
I. Miniati
- 9.30** The right balance between clots and hematomas in arthroplasty
J. Parvizi
- 9.40** Antiplatelet therapy in patients with coronary stent undergoing orthopedic surgery: is still no man's land?
L. Bolognese
- 9.50** Discussion
- 10.05-10.20** Coffee break
- 10.20-11.20 Point-Counterpoints**
Moderators: **G. Danelli, F. Giron**
- 10.20** LMWHs are still the gold standard in arthroplasty
In favour - **R. Abbate** In opposition - **A. Gonzalez Della Valle**
- 10.32** Discussion
- 10.40** A low hemoglobin transfusion trigger is not dangerous
In favour - **H. Husted** In opposition - **G. Gentilini**
- 10.52** Discussion
- 11.00** Detection of DVT: all patients need pre and postop ultrasound screening
In favour - **M. Marcucci** In opposition - **M. Scardino**
- 11.12** Discussion
- 11.20-12.30 Round Table** interactive discussion on common thromboembolic complications in arthroplasty, thromboembolic prophylaxis regimens, complications related to bleeding, blood management, clinical consequences of blood loss in arthroplasty
Facilitators: **A. Baldini, P. Caldora**
Discussants: **R. Abbate, F. Giron, A. Gonzalez Della Valle, H. Husted, J. Parvizi, R. Rossini**
- 12.30-13.40 Industry Workshop**
Modern oral approach in thromboembolic prophylaxis: daily-based and scientific evidence for a simplified patient management
- 13.40-14.30** Free time for lunch

PAIN CONTROL

- 14.30-15.30 Lectures**
Moderators: **P. Adravanti, E. Gabbai**
- 14.30** What works and what does not work for pain control in arthroplasty
G. Danelli
- 14.40** Patient mental preparation to the arthroplasty procedure
J.L. Chiti
- 14.50** Optimized pain control protocol
J. MacDonald
- 15.00** Cost/effectiveness of the various modalities for pain control
J.-N. Argenson
- 15.10** How to avoid chronic pain after hip and knee arthroplasty
E. Thienpont
- 15.20** Discussion
- 15.30-16.30 Point-Counterpoints**
Moderators: **J.-N. Argenson, A.R. De Gaudio**
- 15.30** What I would like for a better pain control...
...from my anaesthesiologist - **P. Adravanti** ...from my surgeon - **E. Gabbai**
- 15.42** Discussion
- 15.50** Dealing with pain in a "Fast Track" protocol
EU perspective - **H. Husted** US perspective - **J. Parvizi**
- 16.02** Discussion
- 16.10** Best technique for local wound infiltrations
Injection site matters - **E. Thienpont** The drug matters - **F. Traverso**
- 16.22** Discussion
- 16.30-17.00** Coffee break
- 17.00-18.30 Round Table** interactive discussion on strategies for pain control in arthroplasty, the role of patient education, fast track protocols with European and American flavors, the science behind local infiltration techniques
Facilitators: **A. Baldini, P. Caldora**
Discussants: **G. Danelli, E. Gabbai, H. Husted, J. MacDonald, J. Parvizi, E. Thienpont**

Friday 23 May

- 7.30-8.30** Sponsored Meet the Expert Sessions

INFECTION CONTROL

- 8.30-9.30 Lectures**
Moderators: **B. Moretti, G. Riccio**
- 8.30** Prevention of infection - the host factors
M.C. Ferrari
- 8.40** Prevention of infection - the wound factors
J. Parvizi
- 8.50** Prevention of infection - the environment factors
A. Gonzalez Della Valle
- 9.00** The fight against the slime: can we ever win?
M. Lisanti
- 9.10** Anti-biofilm strategies in orthopaedics: where are we?
C.L. Romanò
- 9.20** Discussion
- 9.30-10.30 Point-Counterpoints**
Moderators: **A. Farese, C.L. Romanò**
- 9.30** The best prophylaxis for primary arthroplasty
Orthopaedic surgeon view point - **M. Innocenti**
Infectivologist view point - **G. Riccio**
- 9.42** Discussion
- 9.50** How to deal with fever (38°C) after arthroplasty (10 days postop.)
The infectivologist perspective - **T. Ascione**
The surgeon perspective - **R. Rossi**
- 10.02** Discussion
- 10.10** Prolonged wound drainage (7 days) after hip arthroplasty
What the infectivologist suggests - **A. Farese**
What the surgeon suggests - **J. MacDonald**
- 10.22** Discussion
- 10.30-11.00** Coffee break
- 11.00-12.30 Round Table** interactive discussion on infection prevention in arthroplasty, current modalities to treat the operative environment and the patient, future directions in infection control
Facilitators: **A. Baldini, P. Caldora**
Discussants: **T. Ascione, A. Farese, A. Gonzalez Della Valle, J. Parvizi, G. Riccio, C.L. Romanò**
- 12.30** Adjourn
