CALL FOR ABSTRACTS

By submitting an abstract of your research you accept to share your work either as a speech either as a poster to be presented or displayed through congress days.

The Scientific Committee reserves the right to designate the abstract format (oral or poster).

The final acceptance decision is the exclusive right of the Scientific Committee.

The Abstracts will be evaluated and scored by a panel of Referees (selected by the Scientific Committee) according to their novelty and significance.

Abstract Submission Instructions

WRITING THE ABSTRACT

Abstracts must adequately describe the objectives and results. Originality, study quality and completeness of the work will be evaluated. Each abstract must contain the following items:

OBJECTIVE: indicate primary purpose of study.

MATERIALS AND METHODS: description of data sources, subjects, design measurements and data analysis.

RESULTS: summary of the main findings.

CONCLUSION: study's conclusion and/or implication of the results.

FORMAT

Font: Times New Roman, 12 points font size, single spaced.

Word Limit: 450 words (this must be applied to the main body of the abstract only.

Abstract, title and authors are excluded)

References should not be included in the abstract. Use of standard abbreviations is desirable.

Language: English

FILE UPLOAD

Doc and Docx files are accepted. Please make sure that the document you upload contains ONLY the main body of the abstract. Title, Authors' names and their affiliations must be added exclusively by filling the submission form.

Click on the link below to be redirected to the ABSTRACT SUBMISSION PORTAL.

Young Investigator Award

GISM will assign three "Young Investigator Awards" of 500 Eur each.

In order to be eligible to win, the first author of a paper must be younger of 35 on April the 5th 2019.

The awards will be delivered to the winner during the Award Ceremony. As collection on behalf of the designated winner is not allowed, the unavailability to personally collect the award will cause disqualification from the competition.

To take part in the contest, please add the Young Investigator Award acronym within brackets (YIA) before the first word of your abstract title.
